SUMMARY

Highly motivated recent Bachelor of Information Technology graduate with a passion for web development. Skilled in React.js, Node.js, and Express.js, and actively expanding my knowledge base through continuous learning. Eager to contribute to a team and gain experience building innovative web applications.

SKILLS

- Programming Languages: , JavaScript, TypeScript, Python.
 - Web Technologies: HTML, CSS, Tailwind, Framer Motion.
 - Web Frameworks: React.js, Node.js, Next.js, Express.js.
 - Operating Systems: Windows.
 - Database: Mongo DB.
 - Version Control: Git, GitHub.
 - Problem-Solving: Critical Thinking, Analytical Skills.
 - Tailwind Library: Aceternity, shadcn, Daisyui
-

PROJECTS

DEC 2023 - JAN 2024

Mega Blog

- Developed a full-stack web application for blogging using Appwrite as a backend-as-a-service (BaaS) solution and React-Redux toolkit for the frontend.
- Designed and implemented a user-friendly interface featuring:
 - Login and signup functionalities with secure authentication.
 - A dynamic home page displaying all blog posts.
 - Pages for creating, editing, and deleting posts.
 - Integrated a rich text editor (TinyMCE) for creating compelling content.

CODE

FEB 2024 - MAR 2024

Music Art Course

- Developed an interactive music art experience using Next.js, a modern React framework, for a music art course.
- Utilized AceternityUI, a then-immature UI component library, requiring extensive customization through Tailwind CSS configuration.
- Successfully tackled challenges in integrating and customizing the library, demonstrating strong problem-solving and adaptation skills.
- Gained valuable knowledge in working with cutting-edge frontend technologies and UI component libraries.

CODE

AUG 2023 - SEP 2023

JavaScript

Explore my interactive JavaScript projects, showcasing proficiency in front-end development, user interaction, and problem-solving through engaging applications.

CODE

OCT 2023 - NOV 2023

React

Explore my collection of interactive single-page applications built with React, showcasing my ability to create engaging and dynamic user experiences.

CODE

LANGUAGE

- English (Fluent).
- Hindi (Native)

EDUCATION

Bachelor of information technology

SEP 2020 - JUN 2023

University of Mumbai

HSC

Ghanshyamdas Jalan College

SEP 2018 - MAR 2020

CERTIFICATE

JavaScript Basic Certified ([Link](#))

JavaScript Completion Certified ([Link](#))

React Basic Certified ([Link](#))
